

Strike It For Deaf Kids!

Bowl-A-Thon

April 18, 2009

Things you need to know before you bowl:

Teams who sign up are required to raise a minimum of \$75.00 per bowler or a total of a minimum of \$450 per team.

Strike it for Deaf Kids Spare Bowlers: If you want to bowl, but don't have a whole team, complete a Registration Form and send to DCRC with 1 or more bowlers and DCRC will join individuals to make a team of 6. Each bowler is required to raise a minimum of \$75.00.

Individual Fundraising: So, you're busy on April 18th and are really bummed, but you still want to show your support for *Strike it for Deaf Kids!* and help us raise some much needed funds. It's never been easier to ask your friends and family to support. Simply register as an individual, download the pledge form and start fundraising. It's that easy! Note that all your pledges should be handled the same as pledges as flat rate.

Pledges by Pin: A person may want to gamble and pledge based on the number of pins that are knocked down. For example, someone decides to pledge .10 for each pin knocked down. The bowler plays 3 games and knocks down 200 pins so the pledge equals $200 \times .10$ or \$20.00.

Pledges as Flat Rate: A person may pledge a flat amount for the bowling event. For example, someone may decide to pledge \$10.00 for the 3-game bowling event. If a person pledges a flat rate, it is easiest to collect the flat rate amount when the pledge is made.

Tax Deduction: We are grateful for your contribution. Deaf Community Resource Center is a 501(c)(3) nonprofit organization. All pledges are tax-deductible to the extent allowed by law. If a person pledging would like a receipt for tax purposes, please have the person clearly write down the name and address where we may send them a Thank You letter.
